Dear Mr. Kamm:

The Brevard County Board of County Commissioners is pleased to offer their support for the Tiger III application for the East Central Florida Regional Rail Trail Missing Link application.

Connecting downtown Titusville and southern Volusia County will ultimately link Brevard County with four counties to the north and will substantially expand our eco-tourism opportunities. Eco-tourism is one of our primary target areas for growth as we work to mitigate the loss of employment in due to the closure of NASA's Shuttle Program.

This is an important project for Brevard County and Central Florida.

Very truly yours,

Robin L. Fisher
Chairman
Brevard County Board of County Commissioners
