Dear Mr. Kamm,

The Titusville Area Chamber of Commerce would like to express our support for the TIGER II Grant Application for the East Coast Regional Rail Trail. The Chamber believes this project to be a very important component to the economic diversification of our City. This project will bring thousands of visitors to our historic downtown, to the Canaveral National Seashore, and to our numerous parks and fishing piers. We have a long history of success in eco-tourism promotion in North Brevard, and this trail project will greatly enhance our efforts.

We also believe this project to be one of the tools we can use to offset the economic impact of the Space Program changes, and strongly believe it will not only positively our community, but the entire East Central Florida region.

Thank you for your support in this project!

Sincerely,

Marcia Gaedcke
President
