

RESOLUTION # 26-05

Amendment to the Bicycle & Pedestrian Master Plan

A RESOLUTION, amending the Bicycle & Pedestrian Master Plan to include the Southern Brevard Trails Master Plan and updates to the Showcase Trail Network

WHEREAS, the Space Coast Transportation Planning Organization is the designated and constituted body responsible for the urban transportation planning and programming process for the Palm Bay-Melbourne and Titusville Urbanized Areas; and

WHEREAS, the Space Coast Transportation Planning Organization emphasizes and values the creation of a safe, convenient, environmentally friendly, and economical multi-modal transportation system that promotes health and independence of all citizens and visitors of the Space Coast; and

WHEREAS, the Southern Brevard Trails Master Plan provides a comprehensive long-term framework for developing a safe, comfortable, and well-connected network of trails across the southern part of Brevard County supplementing the 2019 Bicycle & Pedestrian Master Plan by expanding off-road trail connectivity; and

WHEREAS, through the North Merritt Island Pioneer Trail Feasibility Study and in-depth public outreach, the Showcase Trail alignments need to be updated to reflect the results of the study and preferences of the public; and

WHEREAS, the recently recognized Lake to Lake Regional Trail which will connect Lake Monroe to Lake Okeechobee to the west of Brevard County has created the need to develop east-west connector trails on SR 50 and SR 192; and

WHEREAS, amending of these updates into the 2019 Bicycle & Pedestrian Master Plan aligns with local, regional, and state initiatives to expand active transportation options, enhance recreational amenities, and advance community health, economic development, and environmental stewardship.

NOW THEREFORE, BE IT RESOLVED by the Space Coast Transportation Planning Organization:

1. Amends the 2019 Bicycle & Pedestrian Master to include the Southern Brevard Trails Master Plan and updated Showcase Trail Network; and
2. Will support future projects that implement the amended 2019 Bicycle & Pedestrian Master Plan; and

Space Coast Transportation Planning Organization

3. Will continue to be leaders in developing a multi-modal community.

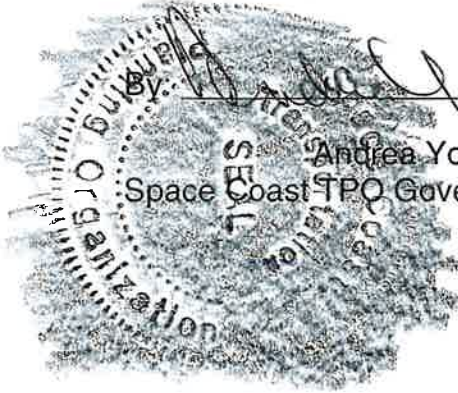

Passed and duly adopted at a regular meeting of the Space Coast Transportation Planning Organization Governing Board on the 11th day of September, 2025.
