

**RESOLUTION # 26-10**

**Performance Measure Targets: Safety (PM1)**

**A RESOLUTION, adopting the Florida Department of Transportation (FDOT) Safety (PM1) performance measures and targets for Calendar Year 2026 and agrees to plan and program projects so that they contribute toward the accomplishment of the FDOT targets**

**WHEREAS**, the Space Coast Transportation Planning Organization (TPO) is the designated and constituted body responsible for the urban transportation planning and programming process for the Palm Bay-Melbourne and Titusville Urbanized Areas; and

**WHEREAS**, the Fixing Americas Surface Transportation Act, and the continuing Moving Ahead for Progress in the 21st Century's (MAP-21) overall performance management approach, requires state Department of Transportation's to establish performance measures in a number of areas, including setting performance measures and targets; and

**WHEREAS**, public transportation providers are required to set and report transit targets annually and share with TPO, for the purpose of being incorporated into the Transportation Improvement Program (TIP) and Long Range Transportation Plan (LRTP); and

**WHEREAS**, the Florida Department of Transportation has adopted Safety (PM1) performance measures and targets for Calendar Year 2026, as reflected in Attachment "A"; and

**WHEREAS**, the TPO wishes to establish and adopt its Safety performance measures and targets as those of the FDOT; and agrees to work with the State and stakeholders to address areas of concern within the metropolitan planning area and into the necessary planning processes and documents.

**NOW THEREFORE, BE IT RESOLVED** by the Space Coast Transportation Planning Organization to adopt the FDOT's Safety (PM1) performance measures and targets.

Passed and duly adopted at a regular meeting of the Space Coast Transportation Planning Organization Governing Board on the 12th day of February 2026.
